Carers are people who look after family, partners or friends who need support because they are ill, frail or have a disability.

An estimated one in eight people are carers.

Are you one of them?

When you are caring for someone life can sometimes feel like a constant battle. You may feel exhausted, worried, upset or isolated.

If so, then a carers' support group can help.

Meetings are held on the first Wednesday of the month from 1.30pm - 3pm
at St Leonards Community Hospital
Ringwood Road, St Leonards, BH24 2RR

For more information please contact Doreen Haskell,
Carers Lead on telephone 01202 584211.
